

Daimler Chrysler – DiX 250

VS-DIX-250-TYP-INT-01

- Emission tester AVL DiGas 480
- AVKL DiLink 480
- Exhaust hose
- Emission sensor
- Catch for emission sensor
- PC
- Keyboard with protective film
- 15" TFT color monitor
- Laser printer
- Rpm measurement at ignition cable
- TN signal and acoustic via integral AVL DiSpeed 490
- Engine oil temperature sensor
- Mobile equipment trolley
- MB exhaust emissions inspection specifications
- Alternative DC method
- Operating instructions

AECS Ltd

VS-DIX-350-TYP-INT-01

- AVL DiSmoke 480
- AVL Di Link 480
- Emission sensor
- Control cable
- PC
- Keyboard with protective film
- 15" TFT color monitor
- Laser printer
- Rpm measurement acoustic and via TN signal
- Engine oil temperature sensor
- Mobile equipment trolley
- MB exhaust emissions inspection specifications
- Diesel emissions inspection OBD procedure as standart, including operating instructions
